

Creating Trauma-Informed Service Systems

Upcoming Live Q & A

Please join us for upcoming **Live Q & A** sessions based on presentations from the [Service System Speaker Series](#) (archived at <http://learn.nctsn.org>). Each month experts will be leading a discussion and taking questions on creating a trauma-informed service system.

Participants will be able to join the discussion live via telephone or the Learning Center and ask their questions of the presenters. We also invite you to submit your questions in advance by posting them in the Learning Center at the Service System Speaker Series page, <http://learn.nctsn.org>, or emailing them to Carly Dierkhising at cdierkhising@mednet.ucla.edu.

Creating a Trauma-Informed Child Welfare System

Charles Wilson, MSSW, Chadwick Center for Children and Families
